5, 10 & 25 Cent Store.**When You Go to Church You Benefit  
Materially as Well as Spiritually.**

**O**NE can see at a glance that GOING TO CHURCH is a material as well as a spiritual benefit.

If you wish to be successful in your employment, in your business, in your profession, there is no better way to attain that end than by GOING TO CHURCH. The young man who GOES TO CHURCH has the confidence of his employer. The employer knows that a young man who is a regular church attendant cannot go wrong very far. The beneficial influence of the church is ever present.

What is true of the young man is true of the older business man. Observing persons are apt to patronize the man who GOES TO CHURCH. They feel that they are ASSURED OF HONEST AND SQUARE DEALING. Of course there are some hypocrites, but they are the exception rather than the rule. The professional man, the lawyer, the doctor, who GOES TO CHURCH is an immediate material gainer.

Therefore it is plain that the young man who wishes to rise in the estimation of his employer, the business man and the professional man who wish to be successful, must go to church. The biggest men in the United States go to church. President Wilson is a regular church attendant. So are the leaders in every line of endeavor.

You'll meet the right sort of people in church. They are the people whose hand clasps are sincere. They are the people who will look you in the eye. If you have not already joined the GO TO CHURCH throng make up your mind to do so next Sunday. Don't procrastinate. Delays always are dangerous. Perhaps you already have delayed too long.

GO TO CHURCH at once and keep GOING TO CHURCH.
